EXAMINATIONS AND CASE STUDIES

Our awarding bodies require students to carry out exams and case studies on suitable models. Please let reception know if you would like to be considered as a model for either of these special types of treatment.

PLEASE BE AWARE

This is an education establishment and treatments will be carried out in a communal salon. The therapist may receive instruction whilst performing your treatment and costs reflect this. Students work towards the timings shown, however they may take longer to complete treatments so please allow extra time.
